# VISION

*“From the beginning of Christianity, the natural overflow of being a disciple of Jesus has always been to make disciples of Jesus. “Follow me,” Jesus said, “and I will make you fishers of men” (Matt. 4:19). This was a promise: Jesus would take His disciples and turn them into disciple makers. And this was a command: He called each of His disciples to go and make disciples of all nations, baptizing them and teaching them to obey Him (Matt. 28:19–20). From the start, God’s design has been for every single disciple of Jesus to make disciples who make disciples who make disciples until the gospel spreads to all peoples.*

*Yet we have subtly and tragically taken this costly command of Christ to go, baptize, and teach all nations and mutated it into a comfortable call for Christians to come, be baptized, and listen in one location. If you were to ask individual Christians today what it means to make disciples, you would likely get jumbled thoughts, ambiguous answers, and probably even some blank stares. In all our activity as Christians and with all our resources in the church, we are in danger of practically ignoring the commission of Christ. We view evangelism as a dreaded topic, we reduce discipleship to a canned program, and so many in the church end up sidelined in a spectator mentality that delegates disciple making to pastors and professionals, ministers and missionaries.*

*But this is not the way it’s supposed to be. Jesus has invited all of us to be a part of His plan. He has designed all of His people to know His joy as we share His love, spread His Word, and multiply His life among all of the peoples of the earth. This is the grand purpose for which we were created: to enjoy the grace of Christ as we spread the gospel of Christ from wherever we live to the ends of the earth. And this purpose is worth giving our lives to seeing it accomplished. It’s worth it for billions of people who do not yet know the mercy and majesty of God in Christ. And it’s worth it for you and me, because we were made to be disciples who make disciples until the day when we see the face of the One we follow, and together with all nations we experience His satisfaction for all of eternity.”*

**- David Platt**

# HOW TO USE THE GUIDE

*The goal of this Guide is to have reproducible material where disciples can learn their identity in Christ and then establish life patterns that they are able to immediately apply and make disciples of their own.*

## Keep it simple

Depend on the Word of God, the Holy Spirit, and your own walk with the Lord. You know more than you think! - and therefore, you need less than you think.

## Customize appropriately

Discipleship is not a “one size fits all”, meaning those you disciple are going to come from different backgrounds and varying degrees of maturity. What you have here is a guide, so make sure you are sensitive to where your disciples are at and adjust accordingly.

## Expect your Disciples to teach others what you teach them

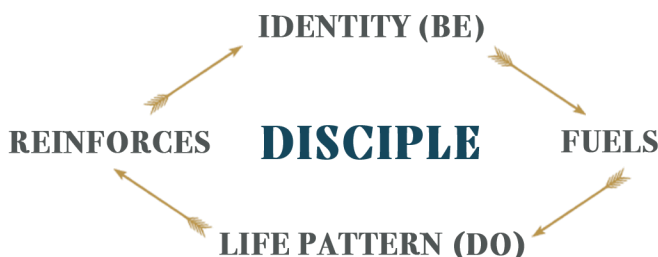

There are plenty of great Bible studies to do if you just want them to absorb more information. The goal of this guide is to get your disciples prepared to pass on what they learn.

## Disciple in community

The dynamic of 3-4 people interacting reduces the likelihood of perpetuating dependence. What you are trying to produce is an interdependent disciple maker who knows how to handle the Word as a self-feeder.

## Reinforce this fundamental concept

My **identity** as a disciple of Jesus Christ fuels my **life patterns** of following Jesus which reinforce my **identity**. People who don't know who they are get confused about what they do and why they are doing it.

# COME WITH A PLAN

## ***1. LOOK BACK (15-20 minutes)***

*The goal for this section is to care for the person's soul and review the objective and commitment that was made during the previous session.*

### **Mutual Care**

You want to hear how your disciple's life has been since the last meeting and how God has been working in their life.

- *From our last meeting what do you want to celebrate from your life?  
Or, what has been the best part of your week?*
  
- *From our last meeting what challenges have you been experiencing in your life? What has been the most challenging or difficult part of your week?*

### **Loving Accountability**

This section helps the disciple maker reinforce the truth that was taught in the last meeting and have loving accountability for the commitments/goals that were made during the last meeting. It is crucial to have both “love” and “accountability.” If you do not show love to your disciple when they fail to keep their commitments/goals, then it can discourage them and they might stop putting in the work. On the other hand, if you do not hold your disciple accountable than they are missing out on the opportunity to experience the full life that Jesus offers.

The goal is to have balance and celebrate your disciple when they fulfill commitments/goals, but to also ask questions and encourage them when they do not. If your disciple does not fulfill their commitments/goals from the previous session, a couple of questions you can ask are:

- *What distractions kept you from accomplishing your commitments and goals this week?*
  
- *How can I help you fulfill your commitments/goals this coming week?*  
*\*more than “I will pray for you”, but actual action steps: texting reminders, emails, etc.*

## **II. LOOK UP (30 minutes)**

*The objective for this section is to look at God's word together in order to teach an Identity of a disciples that leads to a specific life-pattern.*

### **Group Study**

In this section, you and your disciple(s) will be looking further in depth into scripture and what the Bible says about a specific Identity of a disciple and how that identity leads to a specific life-pattern. Each section has at least one verse and one key point to teach your disciple(s).

### **Practice**

In this area, the disciple is challenged to practice what they have been learning so they can gain more confidence about being a disciple maker.

## **III. LOOK FORWARD (15-20 minutes)**

*The objective for this section is to guide your disciple(s) to take the knowledge they have received from the meeting and apply it to their life.*

### **Following**

After you finish your practice, take time to help your disciple(s) set a goal before the next meeting. Help them learn to set SMART goals:

- *Specific*
- *Measureable*
- *Achievable*
- *Relevant*
- *Time-Bound*

*Next, give your disciple(s) the following meeting assignments. Briefly walk through the assignments so they understand exactly what needs to be done by the next meeting.*

### Fishing

In the opening meeting as well as during the second identity of Living Missionally, disciples will be taught the life pattern of **BLESS**:

*\*Begin with prayer, Listen with care, Eat together, Serve in love, Share your faith story*

Each week, disciples will be asked to pray for the people on their **FRANC** lists and set goals to increase their **missional temperature**.

*\*FRANC - Friends, Relatives, Acquaintances, Neighbors, Coworkers*

Disciples will also be asked to begin praying about who they would like to invite into a discipleship relationship.

### Prayer

End each week by praying for your disciple(s), thanking God for how He has been working in their life, praising God for who He is, and lifting up the requests of your disciple(s).

# SESSION 1

## Vision for Disciple Making and Multiplying

“Follow me,  
and I will make you fishers of men.”  
- *Matthew 4:19* -

# SESSION 1

**Objective:**

*To have biblical understanding of discipleship as well as an invitation into discipleship.*

**Commitment:**

*I commit to the life of a disciple of Jesus Christ.*

***I. INTRO (20-30 minutes)*****Mutual Care**

Invite everyone to share their story. Leader, you go first.

- *Where did you grow up?*
- *Family background*
- *Church Background*
- *People of Influence*
- *Spiritual Journey*
- *Why did you decide to join this group?*

***II. LOOK UP (30 minutes)*****Group Study**

Read Luke 5:1-11 and Matthew 4:18-20

- *What was Jesus' invitation?*
- *How did Simon (Peter) and Andrew respond?*

Read Luke 14:25-33

- *What is the main point of what Jesus is saying in this passage?*
- *Why do you think Jesus said this?*

Read Matthew 28:18-20

- *From this passage, what is Jesus telling his disciples to do?*

- *In your own words, how would you define what it means to be a disciple of Jesus Christ?*

Here at Parkway, we have chosen to define a disciple as:

**A person who follows Jesus by trusting and obeying Him while teaching others to do the same.**

We believe that this biblical definition leads us to understand who we are (identity) as a disciple of Jesus as well as develop specific habits (life-patterns) of obedience to Jesus.

Another way to say it is,

***“My IDENTITY as a disciple of Jesus Christ fuels my LIFE PATTERNS of following and obeying Jesus which reinforce my IDENTITY.”***

People who don’t know who they are get confused about what they do and why they are doing it.

Throughout our time together, we will be discovering our identity as a disciple of Jesus Christ which will fuel our life patterns of obedience to Him.

Here are five areas of our identity as a disciple of Jesus on which we will focus:

- Love God
- Live Missionally
- Grow Together
- Serve Sacrificially
- Make Disciple-Makers

### **III. LOOK FORWARD (15 minutes)**

Each week as we come together to grow as disciples of Jesus Christ, we will seek to set two goals. The “**Following Goal**” will revolve around our vertical relationship with Jesus. The “**Fishing Goal**” will focus on our horizontal relationships with those we are attempting to reach with the good news of Jesus.

#### **Following**

For next week, read through and sign the **Discipleship Covenant** found in the *Appendix* at the back of this guide.

As a group, select a book of the Bible to go through together beginning this week. As followers of Jesus we want to get to know Him better, and one of the best ways to do that is to spend daily time in His Word (the Bible) and talking with Him in prayer.

Determine as a group what chapters you are going to read each week.

As you select a book, here are a few suggestions:

- **The Gospel of John** - a great introduction to Jesus and a good study
- **Ephesians** - the first half is about our vertical relationship with God and the second half of the book is about our horizontal relationship with others
- **Acts** - a look at the early church
- **The Gospel of Mark** - Jesus’s life in action

Utilize the **S.P.E.C.K.** method for reading the Bible. As you read, consider journaling your response to these questions:

- Is there a **Sin** I need to confess or avoid?
- Is there a **Promise** I need to claim?
- Is there an **Example** I need to follow or not follow?
- Is there a **Command** I need to obey?
- Is there **Knowledge** about God I can gain?

## Fishing

As disciples of Jesus, we are called to “fish” for other people. Below are some tools to help you in your capacity to fish.

Introduce the **Missional Temperature Card** found in the *Appendix* section and walk through the **BLESS** and **FRANC** strategies.

# SESSION 2

## II. LOOK UP (30 minutes)

### God's Story

Draw out the 3 Circles as you give the presentation.

*\*Use a white board or blank paper.*

### Keys for God's Story

In the beginning, God's intent was to **ble**ss mankind with perfect relationship.

But mankind **rebel**led, believing the lie that God was holding out on them. As a result, this world and mankind's relationship with God was **bro**ken. (*Romans 3:23*)

Because of God's love, He sent His son Jesus to **re**scue us by dying for our sins of rebellion and rising from the dead in order to fix our brokenness. (*John 3:16*)

By repenting of our sin and **be**lieving in Jesus, we are rescued and **re**stored into a right relationship with God. (*Romans 5:1*)

## Keys for Your Story

On a separate document, write down your story of how Jesus has impacted your life by sharing your life before Jesus and how Jesus has impacted your life.

### Your Story (Before Christ)

Share in a few sentences what your life was like before you came to believe Jesus died on the cross for your sins and rose from the dead.

- *Where did you find your satisfaction?*
- *What was your motivation or purpose in life?*
- *Did you experience a lack of peace, purpose, significance?*

### Your Story (After Christ)

Write down **your story** of how Jesus has impacted your life by sharing how He brought you to Himself and how He has changed your life:

- *How did you come to trusting in Jesus to rescue you? Describe what led you to giving your life to Jesus and allowing Him to be in control.*
- *How are you motivated to live differently now? How do you daily follow Jesus?*
- *What changes have you seen in your life?*
- *Briefly, but clearly, share the joys and difficulties of following Jesus.*

Now that you have completed your story, what are one or two words you could use to summarize your life? This helps you share your story in 30 seconds.

- *Before Christ:*
- *After Christ:*

Read Colossians 3:13-15 and Ephesians 4:1-3

- *What commands does Paul give in these six verses?*
- *Out of these commands, where do you see an opportunity to trust Jesus to help you put those commands into practice?*

Read Hebrews 3:12-13 and 10:24-25

- *What does the writer of Hebrews instruct believers to do?*
- *Why are these things so important?*

### Practice

*The writer of Hebrews says, "See to it, brothers and sisters, that none of you has a sinful, unbelieving heart that turns away from the living God. But encourage one another daily, as long as it is called "Today," so that none of you may be hardened by sin's deceitfulness."  
- Hebrews 3:12-13*

As a group, take time to say at least one encouraging thing about each other.

\*Consider phrasing it like, "One thing that I really appreciate about you is..." or, "One thing I see in you is..."

# SESSION 7

## III. LOOK FORWARD (15 minutes)

### Following

- *In light of what we have just learned, what is one goal you could make for this upcoming week?*

Read the assigned group Bible reading for the week.

In preparation for the next meeting, **SPECK** John 13:1-17.

### Fishing

- *Pray for who God would want you to invite into a discipleship relationship.*
- *What is one goal you could set to **BLESS** your **FRANC** list this week?*

### Prayer

End each week by praying for your disciple(s), thanking God for how He has been working in their life, praising God for who He is and lifting up the requests of your disciple(s).

# SESSION 8

## Serve Sacrificially

Serving

“But whoever would be great among you  
must be your servant,  
and whoever would be first among you  
must be slave of all.”

- *Mark 10:43-44* -

# SESSION 8

## **Objective:**

*To develop an identity of serving sacrificially that will fuel a life pattern of sacrificial servanthood.*

## **Commitment:**

*I commit to leveraging my spiritual gifts to serve others.*

# SESSION 8

## II. LOOK UP (30 minutes)

### Group Study

Discuss the **SPECK** Homework for John 13:1-17.

Have someone explain John 13:1-17 in their own words.

Ask for a volunteer to read John 13:1-17 aloud.

- *What stood out to you most in this passage?*

As a group take time to share some of your **SPECK** observations from the passage.

Read Philippians 2:1-11

- *From this passage, what are some characteristics of being a servant?*
- *Which characteristics are most challenging for you to put into practice?*

Read 1 Peter 4:10-11

- *How should believers use the gifts that God has given them?*
- *Do you know what your spiritual gifts are? How do you currently use them?*

*\*If not, consider using this resource: <https://www.freeshapetest.com>.*

### Practice

In Philippians 2 Paul says, “Do nothing from selfish ambition or conceit, but in humility count others more significant than yourself. Let each of you look not only to his own interests, but also to the interests of others.”

One of the biggest mistakes people make in attempting to share their faith with others is trying to be *interesting* with the gospel rather than *interested in* the person with whom they are trying to share the gospel.

Take time to brainstorm questions of interest you could ask others that could lead to deeper spiritual conversations and how you could transition into sharing the gospel.

# SESSION 8

# APPENDIX

# COMMISSIONING DISCIPLES

*At the end of Jesus' earthly ministry He commissioned His disciples to go and make disciples of all nations, baptizing them in the name of the Father, Son, and Holy Spirit, and teaching them to obey everything that He had commanded. Our desire is to follow Jesus by commissioning our disciples to go and do as we have done with them.*

We see incredible value in doing this publicly through a special disciple commissioning because:

- *Publicly declaring one's intent to disciple for the rest of his or her life is transformational in itself.*
- *Like Baptism, Communion, Marriage Vows, and many rites of passage into adulthood, there is something very valuable about making public commitments.*
- *Public Commissioning lends a seriousness to the commitments we make.*
- *Public Commissioning and making "vows" invites witnesses to your commitment to both God and the other people present that witnessed your promise to make disciples.*
- *Public Commissioning celebrates the accomplishment in a special way.*

Because this is our desire, we will intentionally gather twice a year to publicly celebrate and commission new disciple makers. These gatherings will typically take place during September and January.

As disciple makers, we want to encourage you to make every effort to attend these bi-annual events so that we can continue to build momentum, cast vision, and collectively commission disciple makers together.

# COACHING YOUR DISCIPLES

## Strategy

Your ultimate goal in making disciples is to obey the Great Commission of Jesus Christ, that the gospel would reach the whole world. This will be accomplished to the extent that we successfully obey who Jesus has called us to be and do what Jesus has called us to do.

Your immediate goal is to successfully launch those you have discipled until they have discipled their own people as disciple makers. This will probably look different with each discipleship group you launch because of differing maturity levels. To ensure your success, it is important to create an ongoing coaching relationship where you know well the condition of those you have sent out. That is the purpose of the **Disciple Multiplication Temperature Card**: to be used as a tool in your ongoing coaching relationship with your disciples.

## Milestones

Your **first** milestone is accomplished when your disciples can effectively articulate their identity statements and life patterns.

Your **second** milestone is when your disciples have selected and scheduled their first meeting with *their* disciples.

Your **third** milestone is accomplished when they successfully reproduce.

## COACHING OPTIONS TO CONSIDER

### Option 1

You have concluded Session 10 and your disciples have identified and invited their disciples into a discipleship relationship and are ready to begin.

- *Make sure they are aware of and invited to the next Disciple Commissioning service.*
- *Stop meeting with them on a weekly basis and launch them to meet with their disciples. Have them email us at the church to let us know who they will be discipling.*
- *Encourage them to read “The Disciple Makers Handbook” by Bobby Harrington and Josh Patrick.*
- *Meet with your launched disciples once a month, or every other month, checking in on their discipleship temperature.*
- *Feel free to stop meeting with them once they have reproduced. Consider checking in on a quarterly or bi-annual basis.*

## Option 2

You have concluded Session 10 and your disciples have identified their disciples that they would like to invite but you sense they could use a little more help to get going.

- *Have them email us at the church to let us know who they will be discipling.*
- *Consider meeting every other week with them while they meet every week or every other week with their disciples.*
- *Use the same structure you have been using with them except in the look up time evaluate their previous week with their disciples by asking, “What celebrations or challenges did you experience with your disciples?” Based off of their responses, use that time to help coach them forward.*
- *As a group, you could read and discuss “The Disciple Makers Handbook” by Bobby Harrington and Josh Patrick.*
- *Begin to adjust to **Option 1** meeting schedule as you feel appropriate.*

## Option 3

You have concluded Session 10 and your disciples are not ready to be launched.

- *Email us at the church to let us know your situation so we can help you.*
- *Keep meeting together weekly, using your regular format, except use “The Disciple Makers Handbook” by Bobby Harrington and Josh Patrick. Implement this as one of the **following goals** as well as the content that you cover during your **look up** section. There are questions at the end of each chapter.*
- *Gauging the progress of the group, consider adjusting to **Option 1** or **2**. Remember, the goal is to **reproduce** and **multiply**. It will always be easier and more comfortable to just keep meeting.*

# TIPS

## How Do I Start Off Well?

It is essential to have a clearly stated commitment before starting the discipling relationship. The goal is to become a disciple of Jesus Christ by understanding our identities and life patterns. The commitment is to enter and complete a process that helps you to become a disciple maker and multiplier.

Additionally, it is important for people to “begin with the end in mind”. We all start off as New Believers, then grow to be Disciples, and then strive to become reproductive Disciple Makers. To become a Disciple Maker, we are setting the high bar of becoming a person who has embraced the idea that they are no longer consumers trying to become a better person, but one who is living for others in the name of Jesus Christ.

## How Do I Extend Grace to People Who are Unable to Finish?

When issues arise, talk with the person individually and see if the issue is a barrier to fulfilling his/her commitments. If the person cannot, or will not, keep his/her commitments, lovingly invite them out of the process and state that it would be better to start again at a later date. This does not mean that they are a failure or a bad person, it just means that following Christ is serious and if our ultimate goal is to make disciples, we need to focus our time and efforts on those who are available and committed to become disciple makers. We are not rejecting them, we are just making sure we prioritize making disciples who make disciples.

# MULTIPLICATION SUCCESS

## Who Should I Select to Disciple?

People who are *Faithful, Available, Teachable, and Strategic*

*\*You believe they will be willing to commit to disciple others because of your time together with them.*

## What should I say to invite them into the process?

“I want to invite you to join me along with 2 to 3 others on a life-on-life journey to discover together our full identity as followers of Jesus.

We will meet and learn together more what it means to:

- *Love God*
- *Live Missionally*
- *Grow Together*
- *Serve Sacrificially*
- *Make Disciple Makers*

Our time together will help us develop our identity and create life patterns as Christian men/women while strengthening our roles as a Husband/Wife, Father/Mother, Friend, Student, and/or Coworker.

Before you quickly say yes, the commitment is for you to become a disciple maker by following Jesus’ command known as The Great Commission.

This means that once we have worked through this guide, you will seek out 2 to 3 people to walk through this journey with so that they would then commit to find 2 to 3 people to develop as disciple makers. This follows the Biblical example shown in 2 Timothy 2.

I am excited to see how God is going to grow us and work in and through our time together!”

# ADVICE FROM OTHER DISCIPLE MAKERS

- *From the start, introduce the two foundational disciplines: Daily quiet time and **Missional Temperature**. Cover these two things every week.*
- *Remind people repeatedly that this is not a program, this is a lifestyle.*
- *Be a multiplication champion! Finish every session with this statement: “When YOU are discipling others...”*
- *Create an opportunity for experiential learning.*  
*\*Prayer walk each other’s neighborhoods, invite your disciples and their families over for dinner, or find a way to serve somewhere as a group together, etc.*
- *Cover the process in prayer, then pray over it more - and finish it off with more prayer!*
- *Discipleship is far more than going through material, it’s doing life-on-life in a relational way. As I follow Jesus, I am available to walk through life’s challenges with my disciples and impart the Lord’s wisdom as the Holy Spirit reveals.*
- *The connection to each other is often more life-changing than the content of what is discussed.*
- *Do not rush the process. Backtrack to past sections if necessary.*
- *The group members need time to get to know each other so that there is authenticity and vulnerability (share testimonies). Each member needs to be reminded of their redemption and passion for Christ so that their identity flows naturally and is not a forced list of things to do.*
- *Be prepared to dive deeper into topics as needed: “How to Study the Bible”, “How to share your faith”, “Work/life Ministry”, etc.*
- *People are not ready to reproduce unless they themselves are healthy. Make sure you shepherd people well.*
- *Communicate frequently that this process is focused on Disciple Making - not just discipleship. The principle of multiplication needs to drive what we are doing.*
- *Keep it regular, relational, and reproducible.*
- *Commit to pray about who God wants you to disciple.*
- *Have a strong accountability partner that can serve as a sounding board and encourager as you lead others in a disciple making journey.*
- *Follow through, follow through, follow through.*
- *You are not finished with your personal connection and shepherding of one your disciples until they have reproduced themselves.*

# DISCIPLE COVENANT

*The purpose of this covenant is to express our shared convictions as a discipleship group. It should serve as a guardrail that provides trajectory and focus. It reminds us of the commitments we have made to Jesus and to each other. It describes how we plan to live out our faith in the context of an intentionally Jesus-centered community.*

By participating in this group, I agree with the following statements:

- *I want to grow as a disciple of Jesus and learn how to honor and emulate him as a disciple maker.*
- *I understand that I am committing to attending every meeting, arriving on time, and completing the assignments.*
- *I understand that the mission of this group is to help each other become more like Jesus. The discipleship process is based upon Jesus, His teachings, and His method of making disciples.*
- *I commit to get to know God better through his Word in this process. I will complete my reading assignments and prayerfully ask God to reveal himself to me.*
- *I recognize that in order to grow as a follower of Jesus, I must openly share my life with this group- the good, the bad, and the ugly. I will disclose secrets, confess sins, and ask the group to help me overcome the areas of my life that have yet to be surrendered to the lordship of Jesus.*
- *I commit to confidentiality. What is said in the group stays in the group.*
- *I understand that I will take direct, unfiltered feedback. I will do everything in my power to receive it in love and be transformed by it. I will avoid defensiveness, realizing that when I defend myself, I forfeit the opportunity to grow. I am committed to being open to examine myself- my personality, my past, my habits, and the way I treat people.*
- *I will not give unsolicited advice or try to solve someone else's problems during group meetings. I will listen attentively while others share and will respond when and if the person sharing requests feedback from me.*
- *I will pray for every member of this group.*
- *I commit to actively **BLESS** my spheres of influence.*  
*\*Begin with prayer, Listen with care, Eat together, Serve, Share my story and God's story*
- *I commit myself to, at some time in the future when Jesus lets me know that I am ready, becoming a disciple maker and forming a group like this myself.*
