

FAITH PATH

Guiding Your Child's Spiritual Journey
One Step at a Time

*"Hear, my son, and be wise,
and direct your heart in the way."*
Proverbs 23:19

Faith Path Overview

WHY:

We believe God designed the family to be the primary disciple-making relationship. In other words, God gave parents the privilege and responsibility of nurturing faith in the next generation. Faith Path was created to be a step-by-step plan to help you - the parents - be intentional and organized as you foster spiritual disciplines in your child's faith journey.

WHAT:

The Faith Path strategy helps you point your child toward Christ in an age-appropriate manner. The Faith Path plan recommends when to focus on particular practices and what can be helpful at different ages and stages. The free kits will point you to God's Word, resources and ideas to help you guide your child along the path.

WHEN:

You know your child best and can determine the most appropriate time to emphasize each step. You can spend an entire year on a topic, combine topics, or plan shorter intentional time. Each family and child are different. Ideally most topics will build habits in the child and family that will continue through life.

NOTE OF ENCOURAGEMENT

Ideally, you are naturally exposing your child to many of these faith practices in day to day life. Parents should be modeling a genuine relationship with Christ, prioritizing God's Word, prayer, fellowship, worship and repentance. The task of discipling our children should spur on our own relationships with the Lord and dependence on Him. This may be a great time to find a discipleship group for yourself. Please reach out to the church office for help finding a group.

Your Child's Faith Decision

Every step along the Faith Path is intended to guide and direct your child toward becoming a follower of Jesus Christ. At some point along the way, your child will be mature enough to understand the Gospel and make their own faith decision. We have suggested materials to assist you in leading your child in understanding salvation and coming to faith in Christ.

- The Gospel Conversations kit at age 5+ will help you begin to have those gospel-focused conversations with your child.
- The Salvation & Baptism kit will help you walk your child through their new faith decision and decision to be baptized.

You can start today regardless of your child's age or stage of development. Don't worry if you "miss" a step or if you start the process with an older child.

- *You can always go back and emphasize earlier steps, or combine topics*
- *Review and reinforce these practices as your child matures, rather than view them as a one-time emphasis*
- *If time allows, you can take a full year to focus on each topic with your child*
- *Other options:*
 - Spend shorter amounts of time per topic
 - Walk a couple kids who are close in age through the same topic
