

HOME  **PLAN**
FOR KIDS

You are special to God and He has good plans for you!

He knows everything about you - the parents and family you have, where you go to school, who your friends are and what you like to do!

God wants to have a relationship with you and for you to trust Him!

Take a few minutes to think about your relationship with God and with people close to you! Fill in the faces with how you are doing! Add a smile, a frown or a "so-so" line if you're "ok"! Oh, also add !

**"And Jesus grew in wisdom and stature,
and in favor with God and man."**

Luke 2:52

Growing up can be confusing sometimes

- Sometimes we **KNOW** the right thing to do and we even want to do it, but we don't take action
- Sometimes we actually **DON'T WANT** to do it - and then we get in trouble!
- And even other times, you may **NOT KNOW** the right thing to do, which is why God gave you parents, teachers, and His Word, the Bible

Whatever our motives or reasons, God wants us to grow up to love and trust Him and to love and care for others. Like the verse above says, even Jesus grew up in wisdom, stature & favor with God and man! Where can you grow?

Thinking back to the last page and all the faces you made on those statements, circle a couple ideas below that you **want to work on the next few months. Or write in different ones to try.**
